## PROFESSIONAL EXPERIENCE

### Student Teacher - 3rd & 5th Grade

San Pedro Elementary School  
San Rafael, CA  
March 2018 - May 2018

- Utilize tools such as Everyday Mathematics, Daily 5, and Next Generation Science Standards to plan and implement lessons across subjects including math, English language arts, science, and digital citizenship.
- Collaborate with grade-level partners and directing teachers to create and implement assessments that inform future instruction.
- Scaffold the learning and development of 22-27 students on a daily basis through one-on-one conferencing, small group work, and whole class discussions.

### Student Teacher - 1st Grade

Park Elementary School  
Mill Valley, CA  
January 2018 - March 2018

- Utilize tools such as Lucy Calkins Units of Study and Next Generation Science Standards to plan and implement integrated curriculum units of study and lessons in all subjects including science, math, English language arts, and mindfulness.
- Collaborate with grade-level partner and directing teacher to create and implement assessments that inform future instruction.
- Scaffold the learning and development of 22 first graders on a daily basis through hands-on and play-based learning, interactive read-aloud, group work, independent discovery, and conflict mediation.
- Assisted in the planning and facilitation of a family math game night and presentation for parents and students.

### Reading Intervention Teacher

San Pedro Elementary School  
San Rafael, CA  
Nov. 2017 - Dec. 2017

- Lead a group of students struggling with reading in a Fountas & Pinell Leveled Literacy Intervention program.
- Teach and lead students in practice of phonics, fluency, and other reading comprehension strategies to deepen and expand their engagement and understanding.

### Account Executive & Project Manager

DigitasLBi  
Chicago, IL  
July 2016 - June 2017

- Advocate for client's brand vision and manage day-to-day client communication to ensure alignment on all deliverables and timing.
- Collaborate and organize strategic planning, creative execution, and production with the internal team from briefing stage to final deliverables.
- Manage small & large-scale digital projects (i.e. website launch, site redesigns, site maintenance & digital media) through all phases of the delivery process.
- Develop & manage complex, integrated project timelines w/key stages to ensure efficient & agile delivery & effective client involvement.
- Serve as key internal interface for project's resource management, financial, strategic, creative & technological delivery.
